

## RECORD HEAT EARS AREA

An unofficial all-time May 15 high temperature record was established in Lemon Grove-Spring valley when temperatures rose to 95 degrees.

Temperatures of 95 and 100, also unofficial, were reported in a Mesa and on Mt. Helix, respectively.

Blame for the unseasonably high readings was laid to a Santa Ana condition — hot, dry desert air flowing west through the Santa Ana pass.

## SCHOOL BUDGET TOPS A MILLION

### Grove Teachers Ask \$200 Raise In Pay

A \$200 across-the-board increase for teachers' salaries was requested Monday night by over 100 teachers in the Lemon Grove School District at the regular meeting of the Lemon Grove school board. All five members heard the request presented by William Firth, salary chairman and spokesman for the certified personnel. Firth pointed out that with this \$200 increase, the \$3900 starting salary for classroom instructors here would still be below the average in the county. Most districts of comparable size or larger have already adopted schedules beginning at \$4000 or more. With the increasing shortage of qualified instructors, he stated that recruitment of good teachers for Lemon Grove would be difficult if a comparable salary were not offered. Although no definite tie-in was proved, the large number of teacher resignations read earlier at the board meeting might be significant in that the majority of resignations came from new and/or younger teachers who are in great demand in the educational market.

The teachers, through their spokesman, admitted that the raise they proposed was not adequate in many respects but that it was a realistic one for the Lemon Grove area. The \$1.40 tax rate ceiling voted by residents here a few years ago has never been reached by the schools. The new budget would mean an increase of 30¢ in the elementary tax rate but would still be below the legal maximum set by the voters themselves.

George Dickinson, spokesman for the classified employees of the district, presented their request for a 5% increase in salaries. This would allow Lemon Grove classified employees to enjoy a wage somewhere in the vicinity of the average wage offered in industry for similar positions. The realistic 5%, Dickinson stated, was not a figure presented for bargaining but a figure which should not be reduced if Lemon Grove wishes to retain and employ well-qualified classified personnel.

The preliminary budget, up 9% over last year's figure of \$944,000, would provide services for an ad-

ditional 300 pupils. This \$90,000 increase brought the tentative figure for budget total to \$1,034,000. The local tax structure is insufficient to maintain an adequate educational system. More aid is expected from other sources and taxes. The next session of the legislature is being implored to bring about more state support for rapidly growing school districts such as Lemon Grove's.

The board has called a special meeting for Monday, May 21. Beginning at 5:30 p.m., the board will consider the preliminary budget. Following a dinner break at 6:30, the meeting will convene again at 7:15.

Mrs. Foy, representative of the Music Parents Club, spoke to the board about plans for the music program, both instrumental and vocal, for next term. It was agreed that a small committee and school officials would meet to work out a schedule which would be most beneficial to all the children.

The board reaffirmed its policy of not permitting any one group to schedule a series of meetings in school auditoriums. Although square dancing classes and clubs are desirable groups, the board cannot permit any one night every week in any one or more schools to be tied up with a special class of this kind. Educational groups, both adult and student, and community groups must be provided the school facilities before recreational groups. At present the junior high auditorium is in use almost every night of the week.

## Clean-up Of Business District Planned Sunday

Lemon Grove is going to be cleaner after next Sunday declared Junior Chamber of Commerce president Tom Smith, Jr. this week as he charged his group with giving Our Town a good going-over. "We want to make the town more attractive to shop in," he said.

All the hearties of the junior chamber will congregate Sunday at 7:30 a.m. at Broadway and Imperial and make with muscles, brooms, rakes and wheelbarrows until the chore is complete. Then they'll paint new parking lane lines in the parking areas.

Local merchants will be hosts for breakfast at Michael's as soon as the cleaning is done.

In the photo, clockwise, are Junior Chamber members: John Englestadt, Bill Van Dusen, Chuck Johnson, Carl Herder, Chuck Baxter, Abe Mukai and Art Pugatz. Pugatz is chairman in charge of the project.

## THINGS DOIN' & BREWIN' About Civic Center

By DICK HENDERSON

Board of supervisors postponed for three weeks selection of a cut and fill dumpsite in San Marcos-Escondido area.

San Marcos Chamber of Commerce president spoke at length, explained about two sites available, one with a big house on it. One site is in Sec. 13 and the other in Sec. 18, and Supervisor Gibson wanted to be set straight on which site was which.

One site was a 40 acre tract with a partially completed home, would cost the county \$40,000. The other of similar size and half a mile away would cost \$23,500.

John Vincenz, director of public works department, explained that when members of the board had inspected the property a while ago they had neglected to take along a guide who was familiar with the situation, and they had passed by one site. He recommended purchase of the less costly site, but a protest from some 91 persons, who didn't want the dump near their homes, made the supervisors withhold action for three weeks.

Chairman Dave Bird seemed very complacent. He doesn't have to worry about a dump in his district. We have ample room, with plenty of canyons to fill, down below Lomita Village.

The board abandoned plans to obtain title from Uncle Sam for Clark Dry Lake, east of Borrego Springs.

Purchase of the land at a nominal cost was out when the government set a price of half the market value and other restrictions. It had been planned to use the land as a recreation area.

Four Million for Welfare!  
Total welfare costs to the county were set at nearly \$4,000,000, or \$377,835 less than last year. This money is supplemented by federal and state funds. T. M. Heggland said most of the savings was by assignment of accounting functions to the county auditor and elimination of seven legal services positions.

Biggest item approved for the budget was \$5,722,614 for the county public works department, an increase of \$1,722,614 over last year. Heggland said most of the increase was money slated for purchasing courthouse and airport land.

Public hearings on the final budget will begin by June 20.

Department of public works recommends that an agreement be entered into between the Spring Valley Sanitation District and the Lemon Grove Sanitation District providing for the construction and installation of a trunk sewer by the Spring Valley Sanitation District in a portion of Lemon Grove Sanitation District, the cost of \$3,500 to be paid by Lemon Grove S. D. for which it will retain title and assume maintenance and servicing of its portion of the trunk sewer lines; the rate to be charged by S.V.S.D. for transporting and treating the sewage to be mutually agreed upon by the governing bodies of the two districts.

Road Matters:  
Road Survey No. 1142, amendment of intersection of Golden Avenue and Washington Street, Lemon Grove. Grant deed executed by Bernhard and Ella Pethely. Payment of \$800 to the Pethelys.

Raising Pheasants:  
Letter from S. D. County Fish and Game Commission approving the extension of a contract with the state for the joint operation of the facilities of Valley Center Game Farm for the raising of pheasants; and the expenditure of \$1,575 included in the 1956-57

## Five Seek Two Seats On High School Board

Five candidates are seeking two positions this week on the Grossmont High School District board of trustees.

Seeking re-election are Lester Freeman, La Mesa City Clerk, and Charles Irwin, La Mesa haberdasher.

Running against them are Portia (Peg) Goode of El Cajon, housewife who has been active in P.T.A. work; Glen Howell, La Mesa Water Works employee, and John Williams, El Cajon employment agency operator.

The election will be held Friday at the elementary schools in

each district from 7 a.m. to 7 p.m. Simultaneously, elections are being held for members to the elementary district schools.

For those who look to this newspaper for guidance in the high school election, re-election of Freeman and Irwin is recommended on the basis of past service. Each of these men have served on the board for nine years. Their background knowledge and experience will be vital to the growing high school district during the next several years.

## Postoffice To Change Location This Week

The Lemon Grove Postoffice will vacate its present premises this week, postmaster Frenchy Faucher said.

Schedule calls for moving to take place Saturday night. Beginning Sunday morning, naturally, postal patrons will get to the new post office two blocks east of the present one. The new address is 7951 Broadway.

There will be some confusion to box holders because temporary boxes will be used for about two months. These boxes will come from other offices and some users will find they have different numbers, different combinations, and even different sizes than they had previously.

New box equipment is expected to be installed in July. Faucher said. Adequate personnel will be stationed in the lobby of the post office to help patrons during the intermediate period.

Dedication and open house will be held Saturday, June 9 at 3 p.m., and post officials and dignitaries will be on hand to take part. Congressman James Utt, invited to give the welcoming address, will not be able to be present due to pressure of official business in Washington.

A dinner will be held at Michael's on open house day and the public is invited to attend. Each person will pay his own check, Faucher said.

A cocktail hour will be held prior to the dinner.

## The Dimmer VIEW

By MAX GOODWIN

Hardly anyone pays attention to school board elections, but I do!

This Friday our voters will go to the polls, probably in disgustingly small numbers, to cast votes to fill Lemon Grove's most important jobs.

There are three men running for two vacancies and the men whose terms are expiring are running against. The first-time candidate is Robert Buckner of Monterey Heights and as far as I know he would make a splendid trustee but it is on the present board that I should like to dwell.

First, the present board has earned a reputation throughout the state, and by way of reports back home by newcomer personnel, a nationwide reputation as well. This reputation includes harmony, level headedness, and honesty of character. These things are important attractions to hard-to-get teachers being wooed by less than top salaries to fill an overabundance of jobs. Harmony in the education industry is as important as harmony in any big business... and education is Lemon Grove's biggest industry and has a budget of a million dollars.

Our board has worked well together and the disagreements have always been settled on a basis of logic. It is this board which has spent hundreds of hours investigating and acquiring sites, studying school financing, laying plans for the expansion of facilities, while avoiding a reduced tax base by fighting off property withdrawals from the district. They are involved now in making state applications for another elementary school, and the start of a junior high school. The two candidates who are re-running are Channing P. Mason, a feed and supply businessman, and Frank Armstrong, an attorney. Both have children in our schools and that heightens a trustee's interest.

Mason is one of the two fathers of the community swimming pool project and is presently director of the gun club at Helix, so you can see his interest of youngsters at heart. His pool project enthused the Grossmont board to plan a pool in the next high school. Armstrong is director of the Youth Center and legislative chairman of the County School Boards Trustees' Association. These men made two trips to Sacramento together to engineer passage of a tax reduction bill. They snaked it through the Assembly, but it is presently stalled in the Senate.

They have worked assiduously with the County Committee on School Organization, an 11 man

## Eight Girls to Try For Miss Lemon Grove Title

The Lemon Grove Junior Chamber of Commerce will choose a "Miss Lemon Grove" Saturday night June 9. As the closing date drew near, eight local girls had entered the contest. They are: Liada Leach, Jill Sonka, Beverly Bodie, Joy Oederkirk, Bonny Slaton, Carol Wilson, and Connie Kratz.

Art Pugatz and Chuck Johnson, co-chairmen of the event, stated that the winners trophies are on display in the Highlander shop window.

## Red Cross Achieves 87% of Local Quota

A report of 87% of quota for Lemon Grove in the current Red Cross fund-raising drive was made on behalf of the chairman, Art Thomas, at the local branch's May board meeting; President Erwin presiding. This is a better performance than last year's but best we as a community become overproud of this accomplishment, be it remembered that Red Cross spends, locally, about twice what it collects!

The customary excellent reports were made at the meeting by Mrs. Frank Armstrong, motor service chairman, and Mrs. J. A. Garber, production chairman. A report of 745 miles, 157 hours, 45 minutes, was turned in on behalf of nine motor service drivers — five of whom are taking First Aid. The fourteen production workers on Mrs. Garber's list put in 285 hours during April. Three of these women work at home; but at least seven of them may be seen each Monday morning, busily at work in the Women's Club, hemming Navy towels, and making children's garments and other items — sometimes out of

## Nielsen Raises Ruckus With Water Works Over Roadway

The Water Works Board have been earning their 20 bucks each the past couple of weeks. Both meetings extended over the afternoon when the morning session failed to finish the agenda.

Joe Levikow is making up for his Grand Jury Service. Director Eggert, El Cajon's rep, was not present May 8th, the meeting we are attending right now.

Bud Dall received his 15-year service pin, which was pinned on his chest by president Rube Levy, with appropriate remarks. Levy told Bud that he and each of the other directors appreciated the good work he had done for the District, and hoped he would continue his employment. Then he put the pin on Bud's chest and Bud went out on the pipeline.

Roy Nielson appeared at 9:30 to advise the Board of problems, past and present, pertaining to roadway, which may affect the District's right of way.

Roy is a real estate, told his position land-wise (he owns property on the side of the hill north of the lemon packing house) and lives in the big house on the side of the hill. He spent \$1740 on a private road, so he told the Board, and thinks the county has forced travel on said road without his permission.

The Freeway folks have come over on him, and he has a little battle with the State comin' up.

Nielson said he had persuaded the Freeway folks to cut down the grade about three feet where his road took off. His concern with the District was to get the officials to intercede with the State and County, as their easement from Mrs. Marie Howell for pipelines seem to be involved. After considerable discussion, with Harry Griffen pinning Nielson down as to damages he wanted, the matter was referred to a conference between Nielson and Manager Shelton. The placing of a tank on the property was gone into at length, but just where this tank would be placed, preferably where it would not be too prominent, was not decided.

The easement granted by Mrs. Howell was produced and Water Works attorney Jennings read it and said there were no restrictions as to size of pipe. A 27 inch line is proposed, to get water by gravity. The \$1740 spent by Nielson was for pumping H2O, it seems. Some kind of a special pump has been used.

The Freeway put a dirt fill, and something was said about a dam. That was it. To climax the discussion, Nielson said there would not have been any trouble if he had been dealing with a man. At that Mrs. Penny, the Board's very efficient and obliging secretary, flushed a little, said something that sounded "just like a man," and all laughed.

Byron Miller recommended that the Board consider invest-

ment of \$5 million SIXTH ISSUE bonds on June 1st or shortly thereafter, subject to receipt of money from sale of bonds on June 1st.

Board considered offer of Marie Hendry Howell to sell property for Lemon Grove Tank site.

The afternoon session was given over to bids offered for pipe and materials. The board room was full of pipe and plumbing salesmen, each with a pad and a sharp pencil. Mr. Shelton opened the bids, read who they were from and who furnished the bonds and then passed the bids over to Bill Jennings. We didn't stay to learn the successful bidders. Some of the pipe peddlers were sweatin' when we eased out. As Mark Twain remarked one time, "It got too dern technical for me." — D.H.

## Dr. Howard Pierce In La Presa Church Pulpit

Dr. Howard Pierce, formerly pastor of the Community Church of Christ at Joseph, Oregon, is now occupying the pulpit of the La Presa Community Church, Jamacha Road.

Dr. Pierce succeeds Rev. George Nowag, who resigned last year because of illness.

The new minister, married and the father of two sons and one daughter, all grown, was ordained at Camden, New Jersey in 1930. He is a native of Pittsburgh, Penn., and came to California in 1922. At present his home is in Lemon Grove.

The La Presa Church at present is undergoing a change, remodeling and refinishing. The minister says there will be a renewal of the Sunday evening services at 7:30 and the prayer meetings Wednesday at 7:30 p.m.

Plans are being made to organize a young people's group in the near future and Dr. Pierce says he intends to have old fashioned sings and potlucks for the purpose of fellowship.

"The La Presa Community Church is just what the name implies, and belong to the people of the community. All are welcome," says the new minister.

## Two More Young Ladies Choose Lemon Grove

The Stork, flying precious freight via La Mesa Community Hospital, started the month of May with a two-time winner. Yep, the Old Bird brought two bundles from Heaven, both girls, and both future Queens of the May.

Remember that song, I think taken from a poem by Sir Alfred Tennyson, that starts out—"You must wake and call me early, Mother, dear" and finishes "For I'm to be queen of the May. Mother, I'm to be Queen of the May."

We haven't heard that piece in 60 years.

My Dad used to play his banjo and sometimes he would sing that song.

On May 3 Mr. and Mrs. Edward Huhn, 1902 Ensenada St., were joyful over the arrival of a little Queen, weighing 6 lbs. 5 oz.

And on May 5 Mr. and Mrs. Harry Sides, 2030 Massachusetts Avenue, proudly welcomed a little Queen, weight 6 lbs. 2 oz.—D.H.

Anderson, secretary; Erman Kouns, first vice president, program; Donald Cowan, fourth vice president, welfare; and John L. Thompson, parliamentarian.

Mrs. John L. Thompson, present president, will have principal John T. Warburton as her guest for the Foothills Secondary Council luncheon May 17. The executive board will continue their monthly meetings to handle all business. Next board meeting is May 31, in the home of Mr. and Mrs. R. E. ## Rho Jamacha Tract Tax Sale Called Off After Newspaper Ad Is Run

The tax sale advertised by Tax Collector Wilbur W. Easton to be held May 9 at 9 a.m. was called off when each and every one of the 15 parcels advertised to be sold were redeemed and the money for delinquent taxes due was deposited with the county treasurer.

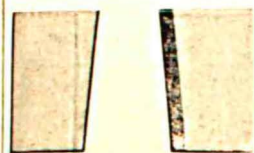

The property to be sold by Mr. Easton was in Tract H. Rho Jamacha, consisted of 15 parcels assessed to various owners and was ordered to be sold as one parcel, a total of 19 acres, with a first bid of \$820. It was anticipated that the bidding would be brisk. Mr. Carpenter deposited the advertising cost and made the first bid. He also redeemed all the parcels assessed to the irrigation district.

Some of the parcels had been delinquent for 20 years. They will probably not go delinquent again, as the land is in the area of Sweetwater Lake, and will be valuable for homesites when water is supplied to the tract.

The cost of advertising the sale, \$35.34, which was put up by Mr. O. Carpenter, will be returned to him and paid by the county. The advertising was printed in THE REVIEW, three issues, according

Ron left in '53, Janet in '55, ah, left Helix, that is... Barbara Troxel is now Mrs. Richard Skrivaneck. Dick is a '54 Highlander grad... Connie Kratz, 17, is representing Lemon Grove in this year's Fair-est of the Fair contest. Good beauty to you, Connie!... Deanie Bronson, class of '54, is now Mrs. Tom Oliver... Dennis Hopper, local Hollywood flick star, returned home for a brief visit following a few weeks in Tucson filming "Gunfight at OK Corral." **Dis 'n Dat at Helix Hi...** The great Helix marching band won the coveted musicianship trophy at the National City Maytime Band Review. Their first place award with excellent musicianship was based on a level with that of professionals, so stated the judges. Dan Lewis is director, assisted by Larry Christianson and commanded by Karen Dawson, drum majorette. Helix was adjudged the top junior and senior high school band of more than 1,000 students, had the top pom pon corps unit and even Arvis Reed, present Highlander and Monterey Heights resident, placed second as the best adult drum major while leading the Cameron Highlanders Pipe Band of San Diego. And what happen to Grossmont's "heralded" band? Good article in last Monday's front page of the third section in the Eve Trib. Six Helix panelists explained why backed summer school. Good reasons, too... Two present Highlanders won two of the twelve awards given annually by the Bank of America. Pauline Harper and Jim Gerard of Helix copped firsts. As usual Helix's supposed "big brother" Grossmont was in the running, but placed second, behind Helix. Looks like we've got some brainy juveniles in the Heartland and foothill areas... As far as the majority of Highland lads and lassies are concerned Elvie Presly really sends 'em—where, we cannot print in our paper! Maria Bica, Helix frosh, is fresh from Italy. Says the U. S. is "sharp"... Helix's tennis team, thus far, has suffered only one setback amongst many, many victories... Ron Mulder, Lemon Grove, was selected as a Helix graduation Tartan bearer... Jack Herriott, junior, will attend Boy's State conference in Sacramento at the end of June... Janice Torgersen, frosh, is next year's sophomore class secretary.

**What We Saw in  
Him Her to Be  
Couples Club  
Program**

That "Sweet mystery of married life," namely what he saw in her and vice versa, will be solved at the Couples Club meeting Saturday evening, May 26 at Friendship Hall.

Wedding pictures will be oh'd, ah'd, and giggled over, depending on the years between the knot-tying and the present. We expect to find that more than one of today's shiny pated men had hair, 'way back when, and maybe even curls!

An old fashioned waltz contest will give waltz advocates opportunity to show up the jitterbugs and the bopsters.

The evening will start with a demonstration that the way to each hubby's heart is truly via the tummy. Best recipes will be made up and sampled as a pot-luck supper, to be served at 6.30.

**Hope and Company  
To Open Local Office**

Edward S. Hope, head of the firm, said that his firm had been servicing conservative investors in Southern California for more than 22 years and population size and growth indicated a need for complete service facilities.

### Dimmer View

(Continued)

committee elected by the County School Board. This organization makes recommendations to the county supervisors. Mason and Armstrong have managed to get a promise of stabilized boundaries for the district through this group.

An example: the Walker Scott property is in the city of San Diego but because of convincing arguments of these men the property is being left in the Lemon Grove school district. It was not simply an argument with the organization. Also embattled was the San Diego Unified School District. Why? Because the property in question will have an assessed value of a quarter million dollars. That produced \$50,000 taxes for our school district. This represents about one quarter of the total school tax income. If this property were to withdraw it would add just that much on the Grove tax total.

The County Committee on School Organization moves about the county for their monthly meetings. Our present school board has attended these meetings so regularly, and in such remote places as Julian and Oceanside, that they have earned the cognomen of "camp-followers."

In addition to stabilizing the Walker Scott property, they have stymied a San Diego annexation romance by the owner of a 70 acre tract adjacent to the W. S. site and another on the San Altos subdivision.

Tax-base-wise these areas are important. But look what it does to long range planning. The district owns a site on Madera Street near San Altos. If San Altos is pulled out of the district it would invalidate the school-site value of the property.

I could go on and on relating activities these two men have been involved in for the benefit of the school and I would be also describing the efforts of the present board as an entity. Because this well-knit group has earned such widespread respect, it would be a wasteful sacrifice of unity to allow it to be broken up.

Bear in mind that these men receive no pay, not even expense money. They contribute as many as six or seven nights a month and many daylight hours in meeting their obligations.

We should, I feel, give some encouragement to these men who have served the school district so well.

What better way can we show our gratitude for such outstanding service than to go to the polls Friday and let our "X's" say "Thank you" to Channing Mason and Frank Armstrong.

### COLLEGE CHURCH TO HAVE RUMMAGE SALE

The Women's Guild of the College Lutheran Church will have a rummage sale at the church at 6650 Montezuma Road and El Cajon Blvd. Friday and Saturday. Friday the sale will be conducted 5 to 9 p.m. and on Saturday it will start at 9 a.m. and close at 5 p.m.

### St. John of the Cross Parent's Guild to Screen "I Sing of a Maiden"

The Parent's Guild of St. John of the Cross will show a 90 minute feature film on the joys and sorrows of the Blessed Virgin, entitled "I Sing of a Maiden" at the regular Guild meeting, Thursday May 17 at 8:00 p.m. in the parish auditorium. Chosen especially to be shown during the month of May, the film brings the ageless story of the Virgin Mary to life in a manner never before accomplished. Modern staging and camera techniques are employed to make the film a vivid portrayal, accurate in every detail. Monsignor John J. Dougherty, one of the most renowned scriptural authorities in the nation is the narrator of the film. Election of officers for the next school term will be held during the business portion of the meeting. Refreshments will be served after the meeting.

### ROLANDO SCHOOL TO HAVE SCIENCE FAIR

A Science Fair will be presented at the Rolando Park Elementary School, 6620 Marlowe Drive, San Diego. Telescopes will be set up outside of the school for visitors to view the moon, the stars, and other celestial bodies. A variety of science films will be shown in two of the classrooms for those who are interested. Science displays will be set up by each grade level, and some of the students of the upper grade levels will have individual displays. Some of the individual displays are egg hatching, ant colonies, and other botanical displays. The Science Fair will be presented both before and after the main program.

The main program features the installation of Rolando Park PTA officers by Mrs. Byron Netzel, vice president, Ninth District PTA.

New officers are: President, Mrs. Raymond H. Johnson; Vice president, Mrs. William J. Bowerson; Recording Secretary, Mrs. James D. Clavell; and Secretary of Promotion, Mrs. C. Ralph Yokley.

### Square Dance News

The strains of Harvest Moon keep echoing in our brains, and for good reason, too. Wilbur and Dorothy Coons taught the Lemon Grove a round dance to that tune last Thursday night. We felt as graceful as feathers floating on the breeze as we glided around the floor to the most complicated round dance we've learned to date.

Of course, there was square dancing aplenty, too, with Stan Bryan calling the figures to seven squares. Janey and Linda Bryan were there to help with the calling chore.

This Thursday we won't be dancing. We expect to be so busy with the wonderful plans for our anniversary dance coming up Saturday, May 19, we won't be able to take time out for even one short set.

The plans are big, the fun in store bigger on that date, at the cafeteria, School Lane. It's a date at eight, square dancers!

### MRS. JOHNSON INSTALLED AS PRESIDENT OF METHODIST GROUP

The Methodist Woman's Society of Christian Service of the Lemon Grove Methodist Church held their annual May meeting last Thursday at the church. About forty women enjoyed a delicious luncheon served by the Susanna Wesley Circle followed by installation of new officers by Rev. Donald B. Cooke. Guest speaker was Mrs. Donald Cameron, Conference Secretary of Missionary Personal, of the Point Loma Methodist church, Ocean Beach.

New officers are: President, Mrs. Raymond H. Johnson; Vice president, Mrs. William J. Bowerson; Recording Secretary, Mrs. James D. Clavell; and Secretary of Promotion, Mrs. C. Ralph Yokley.

### Cotton to be "King" At Vogue's Installation

"Cotton Carnival" is the theme chosen for installation of officers of the Vogue Section Woman's Club, Saturday, at 8 p.m. in the clubhouse. All members are asked to wear cottons and sportswear for the men in keeping with the "Cotton Carnival" theme. Installation will be followed with a program and party.

Officers to be installed by Mrs. Hal Crow, Senior President, are Mrs. Harold Wolfarth, Chairman; Mrs. Lionel Thorogood, 1st Vice Chairman; Mrs. J. A. Ferri, 2nd Vice Chairman; Mrs. Ralph Tenson, Secretary; Mrs. James Grandfield, Treasurer; and Mrs. Thomas Duffner, Coordinator.

Refreshment committee will be Mrs. John Gregory, C. D. Firebaugh, James Grandfield, and John Kish. Decorations Committee includes Mrs. Kenneth Clarke, Harold Wolfarth, M. M. Connolly, and James Clavel. Mrs. Lionel Thorogood, Ralph Tenson, and Wm. Hubbard are in charge of program. Mrs. Leona Hardy will make corsages for installation.

Welfare Chairman, Mrs. Kenneth Clarke, recently presented six potted plants to a rest home for the aged to complete the club's philanthropic project for this year.

### ASSEMBLYMAN NAMES LOCAL COMMITTEE

Bert Betts, CPA, and John Dail, insurance man, were named this week to head up the local campaign for Sheridan Hegland for Assembly.

Dail, local Democratic spokesman, said that Hegland had done a commendable job in his freshman year and was deserving of re-election.

Betts, head of the local Demo club, said that the incumbent had done a particularly good job for schools. Betts is also chairman of the Lemon Grove school board.

"His work on the Feather River and Colorado River projects should encourage votes from both parties," Dail said.

Seeking to unseat the assemblyman is William Shearer, La

Other members of Hegland's committee are Rev. Dan Apra, Fire Chief Harold Hensley, Paul Reynolds and Byron Netzel of the school administrative staff; Harmon Russell, Alfred Cole, Henry Goldy and Jerry Walter, local businessmen, and Jessie Pearce.
